Let's watch a video...

A meme featuring a scene from the movie '300'. The central figure is King Leonidas, played by Gerard Butler, who is depicted as a muscular man with a beard and a red cape, shouting with a determined and intense expression. He is holding a sword. The background shows a chaotic battle scene with soldiers and spears. A white speech bubble with a black border is overlaid on the left side of the image, containing the text 'WHERE'S MY CELL PHONE???' in bold, black, uppercase letters.

A small white dog with large ears and a blue collar sits on a light-colored tiled floor. The dog is looking towards the camera. Scattered around the dog are various items: a large orange plastic bag, a crumpled white paper napkin, several lemons, a carrot, a clear plastic water bottle, a small black bottle, and a black smartphone lying face down. The background shows a wooden floor and a white wall.
